

Automated Payment Options

1. eBill - *no signature required, simply go online to set up an account*

A fast and convenient way to pay and view your bill online. You can make a onetime payment or a recurring payment from your bank account or with your debit or credit card. Visit www.greenhills.net, and click on eBill to set up your account.

2. Automated Credit Card Payment -

No signature required - simply call 644-5411 or sign up online using eBill.

Apply charges to your credit card each month, so you don't have to write another check. (Some credit card companies allow you to earn cash back when using your card, so choosing this payment option will help increase your cash back with your credit card company.)

You will receive a copy of your Green Hills bill each month, so you can verify the amount.

3. Automated Clearinghouse (ACH) - *signature may be required*

This option allows your bill to be paid by your bank on the 15th of each month. Your bank will process this draft in the same manner as an ordinary check and deduct the amount from your account. The transaction will appear on your monthly bank statement. You will receive a copy of your bill each month, so you can verify the amount and deduct it from your checking balance.

If picking Automated Clearinghouse (ACH), you can either complete this form and return it to our office or sign up online using eBill.
